**M/s.Dilip Buildcon Limited** at Gat No.249 Part, BP1- 17°13'14.05"N TO 75° 1'0.61"E BP2- 17°13'17.02"N TO 75° 1'1.74"E BP3- 17°13'16.85"N TO 75° 1'7.48"E BP4- 17°13'13.94"N TO 75° 1'5.24"E

Subject:Environment Clearance for Stone quarry of M/s.Dilip Buildcon Limited for National Highway (NH-166,<br/>Package II) Project in Sangli District at Gat No.249 Part,Village-Bevnoor, Tal.-Jath,Dist.-Sangli, Area-1.40 Ha

Sir,

This has reference to your communication on the above mentioned subject. The proposal was considered as per the EIA Notification - 2006, by the State Level Expert Appraisal Committee-I, Maharashtra in its 178th - Day-2th meeting and recommend the project for prior environmental clearance to SEIAA. Information submitted by you has been considered by State Level Environment Impact Assessment Authority in its 210th meetings.

2. It is noted that the proposal is considered by SEAC-I under screening category NA as per EIA Notification 2006.

#### Brief Information of the project submitted by you is as below :-

### 3. The proposal has been considered by SEIAA in its 210th meeting & decided to accord environmental clearance to the said project under the provisions of Environment Impact Assessment Notification, 2006 subject to implementation of the following terms and conditions:

Specific Conditions:	H H H H
I	PP to get proposed mine area and 7.5 meter wide safety zone demarcated in presence of DMO before taking any effective steps on site.
II	PP to develop green belt by planting 600 nos. of indigenous trees in 7.5 meter wide safety zone on the periphery of the proposed area with facility of drip irrigation and 1700 nos. of indigenous trees along the approach road before taking any effective steps on site.
ш	PP to appoint qualified fore man as a Mine Manager approved by Director General of Mines to ensure safety of the staff/labors appointed at mine site.
IV	PP to prepare adequate capacity approach roads to the proposed mine area so as to ensure safe plying of the heavy vehicles engaged on mine site for transport of mined material and to avoid any unforeseen accident. PP to plant trees along the road.
V	PP to provide movable toilets/ bio toilets to the workers working in the area and the sewage generated shall be properly collected and treated so as to confirm to the standards prescribed by MoEF&CC and CPCB.
VI	PP to provide First Aid facility at the proposed mining site.
VII	PP proposes Jackhammer drilling in proposed quarry. The jackhammer drills produces more noise and do not have inbuilt water injection system. PP to ensure protective measures are provided to reduce noise exposure and dust emission due to drilling and blasting activity.
VIII	PP to implement mine closure plan as approved by the competent Authority. PP to provide dry wall of around one meter along with barbed wire fencing to the mining lease area to ensure safety of animals and humans.
IX	PP along with revenue and forest department shall conduct a joint tree survey and if any trees needs to be cut PP shall ensure compensatory afforestation is to be done as per prevailing rules with the help of Forest Department. PP to transplant the trees to be cut within the non-mine area of the proposed plot.
x	The mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc.
XI	PP to obtain all necessary NOC's/Permissions from the competent Authority before commencing any work on proposed site.
XII	PP to ensure that no mining shall be done below the depth as approved in the mining plan.
XIII	PP to ensure that, the quarrying is proposed above the level of aquifer to avoid the ground water contamination/degradation of water quality of aquifer. PP to take adequate measures/precautions to avoid contamination /degradation of ground water.
XIV	PP to ensure no stream is diverted due to proposed quarrying activity.

ΤБ

XV	PP to ensure that mining/ loading activity shall be restricted to day hours' time only. No mining activity shall be carried out after sunset and before sun rise.
XVI	PP to provide adequate channels to guide the rain water to reach the mined pit and to avoid any unforeseen incident.
XVII	PP to adhere to the provisions stipulated Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013, guidelines issued by MoEF&CC and any other legal requirements as applicable to the proposed activity.
XVIII	PP to adhere to the provisions stipulated Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013, guidelines issued by MoEF&CC and any other legal requirements as applicable to the proposed activity.
XIX	PP to ensure strict compliance of all conditions stipulated in the Environmental Clearance. The District Collector should strictly monitor the compliance of the conditions stipulated in the Environment Clearance letter.
XX	PP to ensure that there is no damage to any fauna and its nesting close to the proposed mining area.
XXI	PP to ensure that, the overburden be stored on site and shall be used for refilling of mine pit.
XXII	PP to ensure that adequate measures like maintenance of roads, sprinkling of water and plantation is carried out to reduce the dust particulate matter pollution.
XXIII	PP to ensure that parking shall not be made on Public roads. Parking shall be on pre decided place only.
XXIV	The transportation shall be carried out through the covered trucks only and the vehicles carrying the mineral shall not be overloaded.
XXV	PP to provide solar energy, Gents/Ladies sanitation facility in the Z.P. School in village Bevnor from their CER funds in consultation with the District Authority.
XXVI	PP to ensure additional air quality monitoring station around the periphery of village.
XXVII	No hill cutting should be allowed during the quarrying.
XXVIII	Blasting, crushing and transportation of crushed material should be carried out under covered conditions to avoid any kind of dust pollution.
XXIX	PP shall employ dust suppression measures by use of water sprinklers, foggers etc.
XXX	The PP shall undertake 2 rows of tree plantation along the lease boundary. Dust absorbing trees shall be planted.
XXXI	PP to ensure that, as submitted in detail in SEIAA meeting, all mitigation and monitoring measures to be followed especially around the vicinity of nearest Village/ human settlement.

**General Conditions:** 

## Government of Maharashtra

SEIAA Meeting No: 210 Meeting Date: September 16, 2020 ( SEIAA-STATEMENT-0000003736) SEIAA-MINUTES-0000003345 SEIAA-EC-0000002342

Page 10 of Manisha Patankar Mhaiskar (Member 12 Secretary SEIAA)

I	1. The validity period of the EC will be for 7 years as per MoEF&CC Notification dated 29th April, 2015 but limited to period of lease. 2. No hill cutting should be allowed during the quarrying. No quarifers should be disturbed either by blasting or by quarrying. 3. Blasting crushing & transportation of crushed material should be carried out under covered conditions to avoid any kind of dust pollution. 4. PP shall employ dust suppression measures by use of water sprinklers, Goggers etc. 5. The PP shall undertake 2 rows of tree plantation along the lease boundary. Dust absorbing trees shall be planted. 6. Quarrying allowed only in the recharge zone of hills, not in run off or storage zone. For this purpose, GSDA should be allowed. 7. The mining plan shall be approved first before initiating any mining operations. 8. Discharge of sewage from quarry sites should be allowed in the run off zone of hilly areas. 12. After mining extraction is completed, the existing pits on site must be filled up and the closure must be supervised and certified by the District Mining Officer. 13. No quarry shall be allowed within safe distance from any habitation or human activity. 13. IDistrict Collector will take bank guarantee of 8. 2,00,000/- OR upto 2% of the annual royalty, whichever is higher, for the given lease from the lease holder to ensure the compliance of the conditions stipulated. In case of violation of stipulated conditions by project proponent. 14. It shall be ensured that there is no fauna drephedent on the crace of shall take up tree plantation in an area 10 m from the boundary of the lease dolder shall take up tree plantatina man. The shall be ensured that there are also on ether shall be of the taken with a strict Collector vill take bank guarantee of in width for duart of be drary from the already surfaced road. 16. District Collector will take bank guarantees to mining for its nesting. 15. To prevent dust / particulate matter publicon, the rease loade of mining for its nesting. 15. To prevent dust / particul
п	The proponent shall upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of MoEF, the respective Zonal Office of CPCB and the SPCB. The criteria pollutant levels namely; SPM, RSPM. SO2, NOx (ambient levels as well as stack emissions) or critical sectorai parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
ш	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated EC conditions including results of monitored data (both in hard copies as well as by e-mail) to the respective Regional Office of MoEF, the respective Zonal Office of CPCB and the SPCB.
IV	The environmental statement for each financial year ending 31st March in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of EC conditions and shall also be sent to the respective Regional Offices of MoEF by e-mail.

SEIAA Meeting No: 210 Meeting Date: September 16, 2020 ( SEIAA-STATEMENT-0000003736) SEIAA-MINUTES-0000003345 SEIAA-EC-0000002342

**12** 

Manisha Patankar Mhaiskar (Member Secretary SEIAA) 4. The environmental clearance is being issued without prejudice to the action initiated under EP Act or any court case pending in the court of law and it does not mean that project proponent has not violated any environmental laws in the past and whatever decision under EP Act or of the Hon'ble court will be binding on the project proponent. Hence this clearance does not give immunity to the project proponent in the case filed against him, if any or action initiated under EP Act.

5. In case of submission of false document and non-compliance of stipulated conditions, Authority/ Environment Department will revoke or suspend the Environment clearance without any intimation and initiate appropriate legal action under Environmental Protection Act, 1986.

6. The Environment department reserves the right to add any stringent condition or to revoke the clearance if conditions stipulated are not implemented to the satisfaction of the department or for that matter, for any other administrative reason.

7. Validity of Environment Clearance: The environmental clearance accorded shall be valid as per EIA Notification, 2006, and amendments by MoEF&CC Notification dated 29th April, 2015.

8. In case of any deviation or alteration in the project proposed from those submitted to this department for clearance, a fresh reference should be made to the department to assess the adequacy of the condition(s) imposed and to incorporate additional environmental protection measures required, if any.

9. The above stipulations would be enforced among others under the Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986 and rules there under, Hazardous Wastes (Management and Handling) Rules, 1989 and its amendments, the public Liability Insurance Act, 1991 and its amendments.

10. Any appeal against this Environment clearance shall lie with the National Green Tribunal (Western Zone Bench, Pune),New Administrative Building, 1stFloor, D-, Wing, Opposite Council Hall, Pune, if preferred, within 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
